ADMINISTRATION -- GENERAL AGENCY PROVISIONS

Child Care Subsidy Phase Out

Motion:

Move to specify that the Department of Administration may not pay any more than \$268,400 PR in 2007-08, \$178,900 PR in 2008-09, and \$89,400 PR in 2009-10 for subsidizing a child care service. Beginning in 2010-11, delete statutory language allowing the Department to subsidize a child care facility that provides services to state employees. Delete \$89,500 PR in 2008-09 from the facility operations and maintenance appropriation related to the decrease in funding.

20.505(5)(ka)
include NSP

Note:

16.841
Under current law, the Department of Administration (DOA) is required to contract with one or more licensed child care providers to supplement the costs of providing child care services to the children of state employees. The child care facility must be located in the central portion of the City of Madison. The Department may lease space or provide space in any state-owned or state-leased building for child care provider use or may supplement space a child care provider owns or leases. If DOA provides or leases the space, the agency must receive permission from the Building Commission prior to leasing or providing the space.

The Department must assess the costs of providing child care facilities to agencies whose employees are eligible to place their children in a facility operated by a child care provider who contracts with DOA. The assessment must be made on an equitable basis. The assessments must be deposited in the program revenue appropriation for facility operations and maintenance. In 2006-07 the Department of Administration assessed agencies a total of \$268,400 for providing a subsidy to the Creative Learning Preschool and Child Care Center, located at 105 South Butler Street. This motion would phase these payments out over a three year period and, beginning in 2010-11, delete DOA's authority to provide a subsidy.
